1. Despite the fact that Suiyuan Province has been turned over to the Chinese Communists, the great majority of the heads of the Mongol leagues and banners in the Province are still not altogether in sympathy with the move.
2. The Mongol leaders who were most actively in favor of turning the province over to the Communists, and who took the lead in sponsoring the step, were JUNG Hsiang*, HU Feng-shan** (Gombojav) and JEN Ping-chun*** (Serguleng). The remaining chiefs regard themselves as having sent representatives to discuss peace, but not as having fully agreed to it.
3. The majority of the people of Suiyuan Province are bitter at the men who arranged the turnover and call them "nation-selling devils."
